## In-Person Clinician – Merrillville (Part Time)

### Description

Clients continue to request in-person therapy and we are finding that offering a hybrid model that offers the potential for in-person with the flexibility available through telehealth seems to be a hit with clients and clinicians alike! Our offices are designed to offer a group practice environment that allows clinicians to provide, individual, couples, family, group, and play therapy. To ensure a well-rounded clinical team we staff each Pillars location with clinicians who can provide treatment to couples, groups, families, and individuals of all ages.

### Responsibilities

- Reporting to your assigned supervisor our mental health clinicians are responsible for evaluating, assessing, diagnosing, and treating clients experiencing mental health and psychological distress.
- Providing evidence-based mental health counseling and psychotherapy to clients
- Identifying culturally appropriate treatment to meet clients' experiences and individual needs.
- Conducting group therapy sessions for clients based on specific needs (e.g. anger management, depression, anxiety, relationship issues).
- Working with clients to set smart goals and develop individualized treatment plans
- Give clients adequate resources to gain insight through a strength-based approach to treatment.
- Identifying and alleviate barriers to treatment and encourage clients in their wellness and recovery journey.
- Identifying social, emotional, and cultural barriers that may inhibit a client's psychological wellbeing.
- Referring clients internally to an appropriate provider or externally to other health professionals.
- Supporting clients in identifying additional resources in their local or online communities such as social services, job services, and support groups.

### Qualifications

In order to be an approved Pillars Provider we will need you to complete the following:

- Valid mental health licensure (provisional or independent) LCSW, LMHC, LMFT, LCAC, LPCC, Clinical Psychology PsyD/PhD, or other
- National Provider Identifier NPI number
- Completed Council for Affordable Quality Healthcare CAQH application
